

My dear Father

The Thanksgiving

shall come in a day. Christian  
Turned Pirate is of course a thread.

I am very deep in the story of the  
Piracy of that time (a subject never  
yet treated in print) & have a great  
deal of information about it. Can  
you tell me the date of the old battle  
of Fannoe Sea fight of Capt. Ward

the Paris one? A dozen skins are in  
the Museum. It must be after 1805  
as to mention the death of Clipped Earl  
Gloucester.

Perhaps in dealing with  
White I will be well to avoid the  
question in re. Collier.

Ever yours  
Wm. W. W. W.
